2026

VISION

To emerge as an institute of eminence in the fields of engineering, technology and management in serving the industry and the nation by empowering students with a high degree of technical, managerial and practical competence.

MISSION

- To strengthen the theoretical, practical and ethical dimensions of the learning process by fostering a culture of research and innovation among faculty members and students.
- To encourage long-term interaction between the academia and industry through their involvement in the design of curriculum and its hands-on implementation.
- To strengthen and mould students in professional, ethical, social and environmental dimensions by encouraging participation in co-curricular and extracurricular activities.

A VISION FOR THE FUTURE

From the Desk of the

Hon'ble Chairman

Dear Graduates,

Congratulations on reaching this remarkable milestone. Your success today reflects years of dedication, perseverance, and hard work.

As the Founder and Chairman, it is deeply rewarding to witness your transformation into confident and competent professionals poised to lead and shape the future. As you embark on your careers, uphold the values of integrity, strong ethics, and social responsibility, which serve as the foundation for enduring success.

Your journey at NHCE has equipped you with technical expertise alongside a profound sense of purpose and responsibility towards society.

Our vision is to lead in engineering, technology, and management by fostering innovation, research, and strong industry-academia collaboration. We believe in empowering students with holistic skills to meet global challenges and contribute meaningfully to the nation and the world.

As you embark on this new chapter, remember that genuine success is achieved through the ethical application of your knowledge and making a positive impact in every endeavour.

Strive for **excellence**, and let your actions reflect the values you've gained.

May your future be marked by a focused vision, sustained development, and significant contributions to your field and society.

Dr. Mohan Manghnani
Chairman

WORDS OF INSPIRATION

From the Desk of the

President

Dear Graduates,

Today isn't just the end of a chapter, it's the start of an extraordinary journey. You've worked hard, overcome challenges, and proven your resilience. Graduation is more than a ceremony; it's a powerful reminder that you're capable of achieving great things through determination and grit.

At New Horizon College of Engineering, we've always believed that education is more than textbooks and exams. It's about shaping the leaders, innovators, and changemakers of tomorrow. You are those changemakers. You have the knowledge, creativity, and courage to challenge the norms, break boundaries, and build the future.

As you step into the world beyond these gates, dream boldly and act fearlessly, Take risks. Learn constantly. And most importantly, stay rooted in integrity, empathy, and a sense of purpose. Success isn't just about reaching the top; it's about lifting others as you rise and making a meaningful difference wherever you go.

This is your time. Go out and build, inspire, lead, and transform. The world is waiting for your voice, your vision, and your energy.

Congratulations, and may your future be as bright as your ambition.

Mr. Dhermesh Manghnani
President

SHAPING FUTURE LEADERS

From the Desk of the

Principal

Dear Graduates,

Heartfelt congratulations to the graduating class of New Horizon College of Engineering.

Today marks the culmination of your dedication, perseverance, and intellectual growth. This accomplishment reflects both your academic excellence and your readiness to contribute significantly to society and the professional world.

The knowledge and skills you have developed here have equipped you to innovate, lead, and adapt effectively in an ever-changing global landscape. As you take the next step into your professional journey, let the knowledge, competencies, and perspective developed at NHCE guide your path forward. You are prepared to lead with vision, solve problems with creativity, and **contribute** with integrity.

Approach challenges as opportunities for growth, confident in the solid academic and ethical foundation you've built. The values instilled in you here will remain your compass, enabling you to navigate complexity and drive meaningful progress throughout your career. Continue to pursue growth and learning as you advance in your chosen careers. Your degree stands not only as a recognition of your academic accomplishments but also as a reflection of your potential to contribute meaningfully to society.

On behalf of the faculty and staff of New Horizon College of Engineering, I extend my heartfelt congratulations on reaching this significant milestone in your academic journey.

May your future **endeavours** be marked by continued excellence, meaningful impact, and lasting success. May you find success, fulfillment, and continue to exemplify the spirit of excellence that defines our institution.

Dr. Manjunatha
Principal

GUIDING PRINCIPLES FOR SUCCESS

From the Desk of the

Registrar

Dear Graduates,

Heartiest congratulations on your graduation from New Horizon College of Engineering. Today marks the successful completion of one journey and the exciting beginning of another.

Your years at NHCE have equipped you with knowledge, skills, values, and the confidence to excel in a dynamic world. As you move forward, uphold integrity, embrace innovation, and continue learning throughout your life.

Success is not defined only by achievements but by the positive impact you create. Let your professionalism, compassion, and commitment to excellence guide every decision you make.

Remember, the future belongs to those who adapt, innovate, and lead with purpose. Carry the values of NHCE with pride and contribute meaningfully to society and the nation.

On behalf of the entire NHCE family, I wish the Graduating Class of 2024–2026 a future filled with success, happiness, and fulfillment.

"Lead with integrity, innovate with purpose, and make a lasting difference."

ACADEMIC REFLECTIONS

From the Desk of the

Vice Principal - Academics

Dear Graduates,

It is with immense pride and joy that I congratulate you on reaching this monumental milestone. You have spent years mastering complex theories, engaging in rigorous lab work, and transforming abstract concepts into tangible solutions. Your dedication, resilience, and intellectual curiosity have shaped you into the engineers our world desperately needs.

As you step out of our campus and into the global industry, remember that engineering is not just about building structures, writing code, or optimizing systems; it is about solving humanity's most pressing challenges. The world is evolving rapidly, and you are uniquely equipped to lead this transformation with innovation, ethics, and sustainability.

As you join the global workforce, I urge you to hold on to your curiosity. The world is evolving at an unprecedented pace, and as engineers, you possess the unique tools to shape this transformation. Do not be afraid of failure, for every groundbreaking invention was born from a series of initial setbacks. Embrace challenges as opportunities to learn, adapt, and innovate.

Always remember that with great technical knowledge comes a great responsibility to society. Let ethics, empathy, and sustainability be the foundation of every project you undertake. Stay grounded, value collaboration, and never stop questioning.

We are incredibly proud of your accomplishments and the remarkable individuals you have become.
Go forth, push the boundaries of what is possible, and leave a legacy that inspires the generations to come.

Wishing you a fulfilling, impactful, and brilliant career ahead!

Dr. R J Anandhi
Vice Principal - Academics

CELEBRATING ACADEMIC ACHIEVEMENT

From the Desk of the

Controller of Examinations

Dear Graduates,

Heartiest congratulations on your graduation! Today is a celebration of your hard work, perseverance, and the countless memories you have created along the way. As you walk across the stage and receive the recognition you have earned, take a moment to reflect on the determination, resilience, and dedication that brought you here. Every challenge you faced and every examination you completed has shaped the person you are today.

As Controller of Examinations, I have had the privilege of witnessing your academic accomplishments. Today, I celebrate not only your achievements but also your potential to shape a brighter future.

Cherish the friendships you have built, the lessons you have learned, and the values that have guided you. Dream big, stay curious, work with integrity, and never stop believing in yourself. Success is a journey, and this is only the beginning of yours.

May your future be filled with purpose, happiness, and meaningful achievements.

Wishing you every success and happiness. Congratulations, Class of 2026!

Dr. Vijilius Helena Raj
Controller of Examination

TO THE VISIONARIES OF TOMORROW

From the Desk of the

Chief Guest

Dear Graduating Students,

Graduation is both a celebration of what you have accomplished and a gateway to the extraordinary possibilities that lie ahead. Over the past few years, you have tackled complex academic challenges, honed your critical thinking, and pushed the boundaries of your knowledge. As you step out into the professional world, you do so at a time of unprecedented technological evolution. Fields like artificial intelligence, advanced computing, semiconductor technologies, and intelligent systems are reshaping industries and societies at a rapid pace.

As postgraduates, you are not merely entering the workforce; you are equipped to be the innovators, researchers, and leaders who will drive this technological transformation. As you chart your career paths, I encourage you to keep a few principles close to heart:

- **Embrace Lifelong Learning:** Technology evolves continuously, and the knowledge you gained here is the foundation upon which you must keep building. Stay curious, stay adaptable, and never cease to learn.
- **Pursue Innovation with Purpose:** Engineering and advanced research are at their best when they solve real-world problems. Aim to build solutions that are resilient, sustainable, and beneficial to society.
- **Value Collaboration and Resilience:** Complex problems are rarely solved in isolation. Cultivate teamwork, embrace diverse perspectives, and view setbacks not as failures, but as essential steps toward breakthrough insights.

To the graduating class, congratulations on reaching this milestone. The foundation you have built at this institution will serve as a strong launching pad for all your future endeavours. **I wish each of you great success, fulfillment, and impactful achievements in your personal and professional journeys.**

Warm regards,

Dr. Rajiv Kamal
Associate Technical Director,
Samsung Semiconductors India Research (SSIR)

ABOUT US

Engineering Excellence • Innovation • Leadership • Global Opportunities

Established over **25 years** ago, New Horizon College of Engineering (NHCE), Bengaluru, is one of Karnataka's premier autonomous engineering institutions committed to delivering world-class technical education and fostering innovation, leadership, and global competence.

ACADEMIC EXCELLENCE

NHCE is affiliated with Visvesvaraya Technological University (VTU), approved by AICTE & UGC, and accredited by NAAC with 'A' Grade, with several UG and PG programmes accredited by NBA, reflecting its commitment to quality and continuous improvement.

WORLD-CLASS LEARNING ECOSYSTEM

The institution provides advanced laboratories, research centres, innovation hubs, smart classrooms, modern computing facilities, and a comprehensive digital library, creating an ecosystem that supports experiential learning and academic excellence.

INDUSTRY & RESEARCH

Strong industry collaborations enable internships, live projects, research partnerships, entrepreneurship, and excellent placement opportunities, preparing students for successful global careers.

HOLISTIC STUDENT DEVELOPMENT

Through Outcome-Based Education (OBE), mentoring, professional certifications, hackathons, technical clubs, cultural activities, sports, NSS, NCC, and professional societies, NHCE nurtures technically competent, ethical, and socially responsible graduates.

SHAPING FUTURE-READY LEADERS

Today, NHCE stands as a vibrant community of students, faculty, researchers, alumni, and industry partners united by excellence, innovation, integrity, and service—empowering future-ready engineers, innovators, and leaders who create meaningful impact on society.

OUR PROMISE

With a strong placement record supported by its Career Development Centre, NHCE continues to empower graduates with the knowledge, skills, and values required to excel in leading organizations worldwide.
